

### **Associate Professor at Warwick Business School**

Warwick Business School is a research-led, triple-accredited university-based business school with a portfolio of world-class programmes.

We are continuing our search for top-flight talent to join our outstanding faculty by inviting applications for the role of Associate Professor in entrepreneurship and innovation. We are looking for an internationally oriented, ambitious yet collegial scholar who will contribute to the existing lines of research within the entrepreneurship and innovation group.

We especially welcome applications from entrepreneurship researchers with a strong disciplinary background in management or psychology and an interest in cognitive aspects of entrepreneurship and/or creativity.

The successful candidate will have substantial experience in academia and have demonstrated the ability to publish consistently in leading research journals. They will have gained a good honours degree or an equivalent professional qualification along with a PhD in a relevant field.

#### **Athena SWAN Bronze Award**

At Warwick Business School we are committed to supporting staff to achieve their potential. The School currently holds the Athena SWAN Bronze Award and the University of Warwick holds an Institutional Silver Award: a national initiative that recognizes the advancement of gender equality, representation, progression and success for all in academia. We are supportive of staff with caring responsibilities including a generous maternity/paternity/adoption/parental leave policy, onsite childcare facilities and the childcare vouchers scheme.

We strongly endorse the principles of Athena Swan, including a supportive and flexible working environment, with commitment from all levels of the organisation in promoting gender equity.

We are an equal opportunities employer and would consider part time and full time appointments.
